

Parents, I am very pleased to be part of your child development team and to offer our performing arts program. We will be studying ballet, jazz, hip-hop and tumbling. All choreography is age appropriate and music is contemporary Christian.

God has blessed me with a love for children and teaching as well as a great love for the arts and how they can enrich and add to the academic development of children.

He has given me these talents for a very specific purpose: to bring glory to Him.

Our goal is teach knowledge and love for the arts in a God centered atmosphere.

This program combines the skills of movement with music, motor development, coordination, rhythm, strength and flexibility, along with personal discipline and self control.

In addition, our students will have weekly devotion, prayer, and scripture memory verses.

The Kids For Christ program allows each child to reach their full potential with specific and constant guidance from our professional attentive staff.

Sincerely

Debbie Cashion & Staff
